Law Department, BANGALOR

Sir,

Subject - Octroi Manegar in the Bowringpet Town Municipality

I have the honour to state that the Post of Octroi Manegar on a pay of Rs 15 plus special Locality Allowance of Rs 1-8-0 per mensem is being continued in the Bowringpet Town Municipality since the year 1936 by obtaining sanction of Government every year, the latest Government Order on the subject being Government Order No:L 431-2/Ml 29-40-2 dated 12th July 1940 The term of the post sanctioned by this Government Order having expired on 30th June 1941 the Municipal Council resolved at their meeting held on 30th April 1941 to obtain sanction of Government to the continuance of the post for a further period of one year On receipt of this resolution, it was suggested from this Office that Octroi being a permanent and important source of Municipal revenue it was not advisable to contirue the Manegar on a temporary basis as was being done since 1936 and that the Municipal Council could consider the advisability of making the post permanent The Municipal Council have accepted this suggestion and have resolved accordingly at their subsequent meeting dated 12th July 1941

2. While soliciting sanction of Government to the continuance of the post during 1940-41, it was stated in this Office letter No A 5 C 3219/39-40 dated 12th June 1940 addressed to Law Secretary to Government that the question of making the post permanent would be considered after watching the receipts under Octroi during the year There is some improvement in the collections during 1940-41 as compared with those of the previous two years as could be seen from the marginally noted figures The post has therefore to be made permanent

Year	Collections
1938-39	Rs 1708-7-3
1939-40	" 1951-15-4
1940-41	" 2362- 2-2

In

3 In regard to the pay attached to the post the present pay is Rs 15/- per mensem and the usual special locality allowance But in connection with the proposal to standardize the scales of pay of officials working in the several Municipalities in this District, the scale proposed for the Octroi Manegar in the Bowringpet Town Municipality is Rs ~~12/-~~ 12-1-18/- in common with similar posts in some other Municipalities in the District The proposal to standardise the scales of pay of officials working in the Municipalities with a view to facilitate transfers of officials both in their own interests and the interest of public service has been engaging my attention for some time past and details are being worked out in this Office on completion of which a separate report will be submitted to Government soliciting sanction to the proposal Now that a recommendation is being made to Government to sanction the continuance of the post of Octroi Manegar in the Bowringpet Town Municipality on a permanent basis, it is necessary that the scale of pay should fit in with that proposed by me, viz , Rs 12-1-18/- per mensem The Municipal Council of Bowringpet are also agreeable to this proposal ~~as per their proposal~~ as per their resolution dated 30th March 1939

4 In the circumstances explained above, I request that Government may be pleased to sanction the continuance of the post of Octroi Manegar in the Bowringpet Town Municipality on a pay of Rs 12-1-18/- per mensem with the usual special locality allowance on a permanent basis, the pay of the present incumbent being, however, fixed at Rs 15/- in the grade as he has been getting that pay since 1936

Copies of the resolutions of the Municipal Council referred to above are enclosed herein for favour of perusal The favour of early orders is solicited

I have the honour to be,
Sir,
Your most obedient servant,

S. Narayanaswamy

Deputy Commissioner,
Kolar District,
24
